

FACULTY OF ECONOMICS-SKOPJE

Ss. Cyril and Methodius University in Skopje

Dean

Prof. Dr. Ljubomir Drakulevski

staff capable to successfully deal with all the challenges that appear due to the more and more complex constellation of the relations in the dynamic environment.

Faculty's Operation

The Faculty of Economics –Skopje that operates within the integrated state university “Ss. Cyril and Methodius University in Skopje” is the biggest educational and research institution in the field of economics and business in the Republic of Macedonia.

Within its 66 years of existence and operation, the Faculty has been remarkably engaged into the realization of activities in the following fields:

- ◆ Undergraduate studies (first cycle of studies: 8 semesters , 240 credits)
- ◆ Postgraduate studies (second cycle of studies: 2 semesters, 60 credits or 4 semesters, 120 credits)
- ◆ Doctoral studies (third cycle of studies: 6 semesters, 180 credits)
- ◆ Scientific and research activities (domestic and international projects of fundamental, developing and applicable nature)
- ◆ Publishing activity (textbooks, proceedings, monographs, scientific and professional literature etc).

Message from the Dean

Ss. Cyril and Methodius University in Skopje, Faculty of Economics-Skopje is the most prominent higher education institution which is a leader in educating and producing staff in the field of economics and business in the Republic of Macedonia. The Faculty of Economics – Skopje was founded with the Regulation of the Government of the People's Republic of Macedonia, adopted on 14 November 1950, as a fifth Faculty operating within the frameworks of the Ss. Cyril and Methodius University in Skopje. By offering the most modern education programmes in the field of economics and business, taught by competent and professional staff, with highly equipped libraries, computer laboratories and research centers, we aim towards making our students become recognized primarily for their unique opportunity to study in an intellectual and social environment for the creation of which the Faculty of Economics-Skopje gives its utmost contribution. In this sense, the Faculty of Economics -Skopje shall continue to further develop and enhance its relations with all the relevant factors in the society, especially those from the business community, all for the purpose of being capable of providing and offering, in future, high quality study programmes in the fields of economics and organizational sciences, thus producing highly educated

Mission

The Faculty's mission is to provide continuous education of highly qualified professionals capable of meeting the challenges of the new millennium and of strengthening the international competitiveness of Macedonian companies by offering high quality programmes in business and economics. The Faculty also provides professional services and research projects for both private companies and the public sector. As well as being a leader in higher education at national level, the Faculty also enjoys growing international reputation.

Vision

In the coming decade, the Faculty of Economics hopes to achieve the following:

- ◆ To retain its position as the Republic of Macedonia's leading institute for education in the field of economics and business.
- ◆ To be one of the top five institutions of its kind in South-Eastern Europe.
- ◆ To bring its syllabus even closer to the needs of the economy and the public sector.
- ◆ To strengthen its cooperation with eminent universities abroad.
- ◆ To contribute fully to the country's international integration.
- ◆ To acquire international accreditation.

Core Values

The Faculty is deeply committed to:

- ◆ Providing high quality teaching, research and applicative activities;
- ◆ Promoting an inclusive multicultural milieu, respecting the values of all ethnic groups;
- ◆ Responding to the changing needs of the economy and the state administration;
- ◆ Innovating and introducing new study programmes to ensure the curriculum is responsive;
- ◆ Providing efficient and responsible administration of the Faculty's services and activities;
- ◆ Respecting the highest ethical standards;
- ◆ Promoting freedom of creativity and expression of personal opinions;
- ◆ Encouraging innovation and flexibility in the teaching process;
- ◆ Fostering a congenial working environment;
- ◆ Providing a stimulating atmosphere for individual professional development;
- ◆ Making use of the latest educational technology;
- ◆ Ensuring maximum objectivity and correctness in student evaluation;
- ◆ Building market recognition of the Faculty in the country and abroad;
- ◆ Providing unbiased, independent and transparent information to the public.
