HOTEL Studio In is located in the central city area of Strumica, at only ten minutes by foot to the centre of the city. Attractive location, modern design, rich and various cuisines, as well as the numerous contents which hotel Studio In offers are all the more reason for domestic and foreign guests to visit it. Built according to modern global standards, hotel Studio In has a capacity of 30 rooms for accommodating 50 guests in single and triple rooms, bedrooms, and suites. They are contemporary equipped with appurtenances suitable for tourist and business visits.

HOTEL STUDIO IN is contemporary equipped, it has its own parking-lot, it is completely air-conditioned, and it has cable TV. Also, the hotel is covered with Wi-Fi network, thus offering the guests of the hotel free internet services through lap-tops or palm-top computers, which the hotel offers for usage, as well as printers and fax machines.

Restaurant Studio In exists for a long time, before the hotel was opened. Since the beginning, it is recognizable for the quality service, rich menu and unique atmosphere, and thereby it turned into the most visited restaurant in Strumica, but not just by the local population, but by visitors from the neighbouring towns.

Today, the restaurant works as a part of hotel Studio In with a capacity for 230 people, guests of the hotel and visitors from outside. Following the perennial tradition of quality traditional and international cuisine, restaurant Studio In is an excellent place for relaxed breakfast, business lunch or romantic dinner spiced with the sounds of live music for everyone's taste.

The restaurant organizes weddings, birthday and other family parties, and it is a partner of many companies and non-government organizations by organizing seminars, symposiums, corporate presentations, meetings and training programs. On the clients' request, the events are followed by excellent cocktail or dinner parties organized by the team of professionals. HOTEL STUDIO IN is open for organization of any type of events and it is always at the disposal of the client.
